Cookery in Print

Three American cookbooks show how printed recipes served the dining room, the cooking school and the campaign for women’s suffrage.

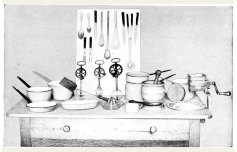

W01 · F. L. Gillette and Hugo Ziemann

The White House Cook Book

Dated 1887 in the digitized edition

Illustrated diagrams divide beef into named cuts. Menus and instructions for carving place the book between a kitchen manual and a guide to formal service.

View the digitized edition

F02 · Fannie Merritt Farmer

The Boston Cooking-School Cook Book

Boston: Little, Brown, and Company, 1910

The revised edition illustrates measuring tools alongside recipes. Photographs show readers which utensils to use and how to measure consistently.

K03 · Mrs. L. O. Kleber (compiler)

The Suffrage Cook Book

Pittsburgh: The Equal Franchise Federation of Western Pennsylvania, 1915

Recipes appear alongside portraits and statements from advocates of women’s suffrage. The original cover is reproduced here.
